PLANTRONICS QUALITY FOR PHONE SYSTEMS WITH BUILT-IN HEADSET AMPLIFIERS

- **Easy to Install and Use.** Simple design brings hands-free efficiency and Plantronics sound quality to phone systems with a dedicated headset port.
- **Multiple Styles.** Available in a variety of styles to meet your application needs.
- **Freedom to Move Around.** The Quick Disconnect™ feature allows you to move away from your phone without removing your headset.
- **Easy to Hear and Be Heard.** State-of-the-art Plantronics' technology delivers clear, crisp audio.
- **Hook Switch Control.** No need to lift handset to initiate calls.

Using the Polaris™ models from Plantronics, you can easily and cost-effectively add hands-free efficiency to phone systems that already have built-in amplifiers and volume controls.

Just plug in the Polaris headset and you're ready to take full advantage of your phone system's built-in

headset amplification and controls. Like all Plantronics' products, the Polaris models deliver no-compromise audio quality and ease-of-use.

Available in a variety of styles, the Polaris models let you get the most out of the built-in capabilities of your phone system.

SUPRA® POLARIS™ HEADSET

The best way to make the most of your phone system's built-in capabilities.

ENCORE™ POLARIS™ HEADSETS:

Models: P91-U10P, P91N-U10P, P101-U10P, P101N-U10P

- Headband headset family offering premium performance and comfort
- Unique SES™ tone control system allows users to choose between bass and treble settings
- Meets the wide range of user requirements and environments via monaural, binaural, voice tube, and noise-cancelling* microphone models
- Binaural models offer yokeless cable design for even greater comfort and convenience

TRISTAR® POLARIS HEADSETS:

Models: P81-U10P & P81N-U10P

- Lightest, most stable over-the-ear headset offering unsurpassed sound quality and comfort
- Innovative three-point design for stability — support behind, on top of, and on the ear
- Four user selectable earbud sizes and an adjustable receiver arm for a precise fit
- Available in voice tube and noise-cancelling* microphone versions

Plantronics Polaris™ headsets with Quick Disconnect™ for use with phone systems with built-in amplifiers and volume controls.

SUPRA® POLARIS HEADSETS:

Models: P51-U10P, P51N-U10P, P61-U10P, P61N-U10P

- World's best selling headset family
- Lightweight, adjustable headband models for all-day comfort
- Available in both monaural and binaural styles
- Voice tube and noise-cancelling microphone* models

MIRAGE® POLARIS HEADSET:

Model: P41-U10P

- Receiver rotates to rest comfortably against outside of ear
- No eartip, no headband . . . no hassles
- Lightweight design
- Fully adjustable transparent voice tube

STARSET® POLARIS HEADSET:

Model: P31-U10P

- Rests gently on and behind ear
- One-size-fits-all VersaTip® earpiece
- Industry's best acoustic seal allows callers to be heard clearly, even in noisy work environments
- Fully adjustable transparent voice tube

* Noise-cancelling technology reduces transmission of ambient noise from the workplace.
